

Bridgeville Elementary School District

Community School Implementation Plan

1. Vision and Goals

- **Vision:** To create a supportive, inclusive environment that promotes academic success, personal growth, and community collaboration for all students.
 - **Goals:**
 - Improve student academic performance and well-being.
 - Increase family and community engagement.
 - Provide access to comprehensive services and resources.
 - Foster partnerships with local organizations and stakeholders.
-

2. Needs Assessment

- **Data Collection:**
 - Gather quantitative data (e.g., academic performance, attendance rates) and qualitative data (e.g., surveys, focus groups) from students, parents, and staff will be conducted through the CIS grant by Dina MacDonald.
 - Empathy interviews will be conducted at the beginning of each year.
 - **Identify Needs:**
 - Analyze data to identify gaps in academic support, health services, and community resources.
-

3. Stakeholder Engagement

- **Form a Community School Advisory Committee:**
 - Include representatives from parents, teachers, school administration, local businesses, and community organizations.
 - Leadership team includes John Blakely, Jessica Springer, one teacher, Community Center liaison, and two community members.
-

4. Program Development

- **Early Childhood Development:**
 - Hire a Credentialed Early Childhood Ed Teacher to keep local families engaged and supported with their early childhood needs.
- **Academic Support:**

Bridgeville Elementary School District

Community School Implementation Plan

- Implement extended learning opportunities through after-school enrichment and summer learning opportunities.
 - **Health and Wellness Services:**
 - Partner with local health organizations to provide mental health counseling, nutrition education, and physical health screenings.
 - **Family Support Services:**
 - Offer workshops on the school campus to deepen the connection with parents. These include a parent night with social-emotional learning classes, literacy night, and science night.
-

5. Partnerships

- **Local Organizations:**
 - Collaborate with Bridgeville Community Center and Bridgeville Fire District.
-

6. Professional Development

- **Training for Staff:**
 - Provide ongoing professional development around social-emotional learning, student literacy, community school models, and trauma-informed practices.
-

7. Evaluation and Sustainability

- **Monitoring and Evaluation:**
 - Establish metrics for success (academic outcomes, community engagement) and regular reporting processes.
 - **Sustainability Plan:**
 - Develop a long-term plan for funding and resource allocation to ensure the community school remains viable.
-

8. Communication Plan

- **Informing the Community:** Utilize website, newsletters, social media, and community meetings to keep stakeholders informed of progress and opportunities to engage.
